Dear Anthony:

This is a testimonial to the excellent service received by a member of mine, Pat DiCapo. Mr. DiCapo rented a cellular phone from Cell Express for a business trip he made to Germany last month and upon his return, contacted me to thank me for the referral.

He further advised that due to the excellent product and service he received from Cell Express, he would be passing on Anthony's card and recommendation to other executives in his pharmaceutical company.

Thanks Anthony for a job well done, I would not hesitate to refer your service again, since it builds tremendous credibility for me with my members.

Yours truly,

Kathy Perrotta  
District Manager
